

FRIENDS PROGRAM

The St. Louis Sports Commission's Friends Program offers individuals the opportunity to become affiliated with the organization and contribute to its efforts. As an independent nonprofit organization, the Sports Commission seeks private support to fulfill its mission of making St. Louis a better place to live, visit, work and play. The organization's results make St. Louis a stronger market, generate economic development, lead to downtown revitalization, and enhance the region's quality of life.

You're invited to become part of the entity that delivers extraordinary value – and the best in sports – to the St. Louis community. By becoming a Sports Commission Friend, you'll help the organization continue to make great things happen for St. Louis. In appreciation of their support, Friends receive the following benefits:

- Special Friends gift from the Sports Commission.
- Invitation to a reception held for all Sports Commission supporters.
- Access to purchase prime seats for selected Sports Commission events ahead of the general public.
- Subscription to the Sports Commission's e-newsletter and organizational updates.
